out-of-home placements.

On December 18, 2018, the Board of Supervisors approved Novation Contract #24-925-30 with Lincoln Child Center, Inc., for the provision of school-based mental health services and a multi-dimensional family treatment program for SED students and their families, for the period July 1, 2018 through June 30, 2019, which included a six-month automatic extension through December 31, 2019.

Approval of Novation Contract #24-925-31 replaces the automatic extension under the prior Contract and allows Contractor to continue providing services through June 30, 2020.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, over 200 SED students, in ten East Contra Costa County schools would not have access to mental health services while the County solicited and engaged an alternative contractor. This delay could necessitate higher levels of care for those students.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).
