County

To: Board of Supervisors
From: Brian M. Balbas, Public Works Director/Chief Engineer
Date: October 8, 2019

Subject: Consulting Services Agreement with AECOM Technical Services, Inc., Countywide.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a Consulting Services Agreement (contract) with AECOM Technical Services, Inc. (AECOM), in an amount not to exceed \$250,000, for the period October 8, 2019 through May 7, 2022, to provide on-call civil engineering services, Countywide. (Project No. Various) (All Districts)

FISCAL IMPACT:

Work performed under this on-call contract is funded by local, state and federal funds for road, flood control, and airport projects.

BACKGROUND:

The Public Works Department is involved in various projects in the County that require civil engineering services for road, flood control, and airport projects. After a solicitation process, AECOM was selected as one of eight firms to provide civil engineering services on an "on-call" basis. The Consultant will augment Public Works staff on an as-needed basis. They will be used as an extension of Public Works staff during busy times when extra help is needed or when in-house expertise is not available. This on-call contract will be in effect

for thirty-one months.

Government Code Section 31000 and 4525 authorizes the County to contract for services including the type of civil engineering that AECOM provides.

CONSEQUENCE OF NEGATIVE ACTION:

Without approval from the Board of Supervisors, there is possible delay in completing projects requiring civil engineering services. Executing this contract will facilitate the process of design and construction for various Public Works projects requiring civil engineering expertise.
