homeownership condominiums located in Walnut Creek. The committee also recommended \$2,801,523 in CDBG funds for the rehabilitation of 237

BACKGROUND: (CONT'D)

existing affordable housing units in Richmond and unincorporated Contra Costa Centre. Additional recommendations were to fund the Neighborhood Preservation Program, which provides rehabilitation loans and grants to low income homeowners.

2. Accomplishments: The AHFC reviewed applications as described above and provided funding recommendations to the Board of Supervisors through the Department of Conservation and Development. Committee members provide a critical review of the projects which ensures substantial leverage of CDBG and HOME funds.

3. Attendance/Representation: The AHFC committee achieved a quorum at both meetings. There are two current vacancies, one is the City Representative/West seat and the other is the City Representative/Central seat. There are residents from each regional area of the County represented on the committee. The AHFC strives to have a diverse committee. Kristen Lackey staffed the committee.

4. Training/Certification: There has not been any special training in the past year. Staff provides information to committee members on webinars that provide information on related topics.

5. Proposed Work Plan/Objectives for Next Year: In 2020, the AHFC may meet twice. One meeting will be in the spring and additional meetings will be held if applications are received during the year.

CONSEQUENCE OF NEGATIVE ACTION:

The Board would not have a 2019 report on the Affordable Housing Finance Committee.

CHILDREN'S IMPACT STATEMENT:

The AHFC reviews and makes recommendations on many types of affordable housing projects, including housing suitable for families with children. The recommendation supports one or more of the following children's outcomes:

- (1) Children Ready for and Succeeding in School;
- (2) Children and Youth Healthy and Preparing for Productive Adulthood;
- (3) Families that are Economically Self Sufficient;
- (4) Families that are Safe, Stable and Nurturing; and
