the County's 2019-20 allocation for the Alternative Payment childcare services

## BACKGROUND: (CONT'D)

program. Through this program, CSB administers subsidized childcare through a vendor approach, providing full or partial payments for childcare of eligible families. These programs are designed to maximize parental choice in selecting childcare. Parents may select childcare services from licensed centers and preschools, licensed family childcare homes, or licensed-exempt providers. Priority is given to families who interface with Child Protective Services, families with children at-risk of abuse and neglect, low-income families, and families with children who have special needs. Approval of this board order will allow the continued provision of these childcare services.

The board approved execution of the revenue agreement on June 18, 2019 (c.49). The board approved an amendment on November 5, 2019 (c.35). The state routinely adds funding to these agreements throughout the program year. This board order is to approve the execution of another revenue agreement to provide additional funds for the operation of the alternative payment childcare program.

## CONSEQUENCE OF NEGATIVE ACTION:

If not approved, County will not receive additional funding to operate this childcare program.

## CHILDREN'S IMPACT STATEMENT:

The Employment and Human Services Department Community Services Bureau supports three of Contra Costa County's community outcomes - Outcome 1: "Children Ready for and Succeeding in School," Outcome 3: "Families that are Economically Self-sufficient," and, Outcome 4: "Families that are Safe, Stable, and Nurturing." These outcomes are achieved by offering comprehensive services, including high quality early childhood education, nutrition, and health services to low-income children throughout Contra Costa County.
