To: Board of Supervisors
From: John Kopchik, Director, Conservation & Development Department
Date: December 10, 2019

Subject: Introduce Ordinance No. 2019-39, to establish an expedited, streamlined permitting process for electric vehicle charging stations

RECOMMENDATION(S):

INTRODUCE Ordinance No. 2019-39, to establish an expedited, streamlined permitting process for electric vehicle charging stations, WAIVE reading and FIX December 17, 2019 for adoption.

FISCAL IMPACT:

None.

BACKGROUND:

State law requires that all cities and counties in California adopt an ordinance describing the city or county's streamlined process for permitting electric vehicle charging stations. The attached ordinance satisfies this requirement.

The adoption of the proposed ordinance will facilitate the installation of electric vehicle charging stations within the County's jurisdiction by making the building permitting process more transparent and accessible to the public. Increasing the number of electric vehicle charging stations within the County is consistent with the policy direction previously established by the Board of Supervisors to lower greenhouse gas emissions within the
