Services (CMS) on September 6, 2019. The District received the attached invoice from DHCS on November 14, 2019.

FISCAL IMPACT: (CONT'D)

The fiscal impact will be revenue generating for the District due to the significant number of Medi-Cal transports within the District's ambulance operating area. Medi-Cal is the second highest payer type (second to Medicare). The net revenue the District receives will be calculated by multiplying the \$220.80 per transport uplift for Medi-Cal fee-for-service and Medi-Cal managed care transports less the (revised) \$26.07 QAF the District is required to pay on all transports.

The net revenue estimate (uplift less QAF) for the District for 2019 is approximately \$2 million under the current funding and fee parameters.

BACKGROUND:

CMS approved State Plan Amendment (SPA) 18-004 authorizing the GEMT/QAF program in March 2019. The Quality Assurance Fee (QAF) is an add-on fee used to increase Medi-Cal funding. Essentially, emergency medical transportation providers in California must pay this fee on all transports, and in return, providers will receive an uplift that increases the Medi-Cal reimbursement base rate for Medi-Cal fee-for-service and managed care recipients.

CMS approved SPA 19-0020 in September 2019. SPA 19-0200 increases the QAF from \$25.23 per transport to \$26.07 per transport on all payments due July 1, 2019, and thereafter.

This request is for 2019 quarter three fees (for July-September 2019 transports). The payment is due on or before January 1, 2020. State program representatives indicated there would be no exceptions and late fees may be assessed by the State for payments not received by the due date.

CONSEQUENCE OF NEGATIVE ACTION:

The QAF payment is mandatory for all providers (public and private) within the State. If not paid, the State can assess late payment penalties and withhold provider payments for ambulance services provided to Medi-Cal recipients.
