access to services for our patrons in the Antioch Library.

CONSEQUENCE OF NEGATIVE ACTION:

If not approved, the Antioch Library will not be able to make needed improvements to update the space for patrons. The grant proposal is supplementing funds, so a greater number of improvements may be made than would otherwise be possible.

CHILDREN'S IMPACT STATEMENT:

The grant will meet the outcome: **Communities that are Safe and Provide a High Quality of Life for Children and Families:** By providing a dedicated area for teens to utilize within the library we anticipate the teen area being more dynamic and useful to the teens, better enabling their activities such as studying in groups, browsing books, and using library computers/laptops.
