Subject: Service Agreement for Lucas Chest Compression Systems Maintenance Service Plan

---

**RECOMMENDATION(S):**

Acting as the Governing Board of the Contra Costa County Fire Protection District, APPROVE and AUTHORIZE the Fire Chief, or designee, to execute a Service Agreement with Stryker Corporation in an amount not to exceed \$84,000, for maintenance of thirty LUCAS Chest Compression Systems, for the period December 20, 2019 to December 19, 2023.

**FISCAL IMPACT:**

Funds are budgeted in the CCCFPD EMS Transport Fund (fund 204000).

**BACKGROUND:**

On December 10, 2019, the Contra Costa County Fire Protection District (District) Board of Directors approved the purchase order of thirty LUCAS Chest Compression Systems through American Medical Response (AMR), the District's ambulance services sub-contractor. Utilizing AMR's national purchasing agreement allowed for a significant cost savings. The purchase of the maintenance service will be directly through the manufacturer, Stryker, as it is not possible to purchase the service through AMR.

BACKGROUND: (CONT'D)

The service agreement obligates the District to hold Stryker harmless from and indemnify Stryker for any third party claims or losses or injuries or death arising from the District's actions in performing the service agreement.
