BACKGROUND: (CONT'D)

It is the mission of the NCRIC to protect the citizens of the counties within its area of responsibility from the threat of narcotics trafficking; organized crime; international, domestic and street terrorism related activities through information sharing and technical operation support to public safety agencies.

CONSEQUENCE OF NEGATIVE ACTION:

If this action is not approved, the Northern California Regional Intelligence Center (NCRIC) will remain unsupported and the County's information sharing partnership with local state and federal agencies, which is paramount in identifying, preventing and responding to all regional hazards will be diminished.
