Subject: Receive and Accept the Workplace Safety Event Data Report for 2019 for CCRMC and Health Centers

RECOMMENDATION(S):

RECEIVE and ACCEPT the Workplace Safety (WPS) Event Data Report for 2019 for Contra Costa Regional Medical Center (CCRMC) and Health Centers, as recommended by Supervisor Glover and Anna Roth, Health Services Director.

FISCAL IMPACT:

There is no fiscal impact for this action.

BACKGROUND:

In 2017, CCRMC and Health Centers implemented the Safety Event Reporting System (SERS) and WPS training was provided to staff. CalOSHA adopted a WPS reporting requirement in 2018, which prompted enhanced internal training to county staff on how to recognize and report incidents. In December 2019, the SERS System was upgraded to enable greater tracking and ease of reporting of WPS incidents.

In February 2020, at the request of the Board of Supervisors, the included report was compiled of all Workplace Safety Event-related data for Calendar Year 2019.
