The following table illustrates the collection losses per quarter for the past four quarters.

Conventional Program

THIS QUARTER	
12/31/2019	\$97,148.32
03/31/2018	\$50,381.06

Prior to the submission of an account for write-offs, the staff makes every effort to collect money owed to HACCC. Once the account is written off, staff uploads debt amount to HUD's Debts Owed System, to further Housing Authority's efforts to collect monies owed. Past participants that owe Housing Agencies may be denied admission to public housing or housing choice voucher programs in the future unless the debt is repaid

FISCAL IMPACT

Uncollectable amounts impact the budget by reducing the total rental income. The Housing Authority of the County of Contra Costa (HACCC) regularly writes off those accounts that have been determined to be uncollectable. Once an account is written off, it can be turned over to a collection agency. For the period ending December 31, 2019, the collection loss write-off total is \$97,148.32

CONSEQUENCE OF NEGATIVE ACTION

Should the Board of Commissioners elect not to adopt Resolution No.5228 these accounts would inflate the total accounts receivable for HACCC and present and inaccurate financial position.
