RECOMMENDATION(S): (CONT'D)

FISCAL IMPACT:

The levy of the annual assessment charges in CSA M-31 will provide revenues for transportation demand management services. The CSA M-31 total annual assessment was \$336,218.30 for Fiscal Year 2019-2020 and is projected to be \$344,468.58 in Fiscal Year 2020-2021. This increase is based on the change in the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). The assessment charges for CSA M-31 were \$73.28/developed residential unit and \$0.1290 per developed commercial square foot in Fiscal Year 2019-2020. The assessment charges for CSA M-31 are \$75.41/developed residential unit and \$0.1327 per developed commercial square foot in Fiscal Year 2020-2021

BACKGROUND:

As directed by Article 1012-2.602 of the Contra Costa County Ordinance Code, the Public Works Director prepared a Fiscal Year 2020-2021 Tentative Annual Report on assessment charges in CSA M-31 and filed it with the Clerk of the Board of Supervisors. CSA M-31 provides transportation demand management services. The Tentative Annual Report contains a description of each parcel of real property receiving services, the basic assessment charge for CSA M-31 and the estimated amount of the assessment charge for each parcel for the fiscal year.

Upon the filing of the Tentative Annual Report, the Clerk of the Board of Supervisors fixed a time, date, and place for a Board hearing on the Tentative Annual Report and for filing objections or protests thereto, and published a notice of the hearing as provided in Government Code section 6066.

Following the public hearing, the Board may adopt, revise, change, reduce, increase, or modify any estimated assessment charges, and shall make its determination upon each estimated assessment charge as described in the Tentative Annual Report. The assessment charges in the Tentative Annual Report were computed and apportioned according to a formula that fairly distributes the assessment charge among all subject parcels in proportion to the estimated benefits conferred on each property from the services provided. Staff recommends approval of the assessment charges in the Tentative Annual Report without modification.

The assessment charges in the Tentative Annual Report are higher than the charges levied in Fiscal Year 2019-2020 because they incorporate an automatic adjustment approved by the parcel owners within CSA M-31 in 2002. The adjustment provision allows for an increase each year based upon the change in the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). For Fiscal year 2020-2021 the increase is 2.91% over the Fiscal Year 2019-2020 assessment rates. The Board approved this provision in 2002.

Adoption of Resolution 2020/103 confirms the Tentative Annual Report and assesses the charges set forth therein, but does not levy the charges. The levy of the assessment charges occurs after the preparation of a Final Annual Report that conforms to the official assessment roll for Fiscal Year 2020-2021. The official assessment roll will be issued by the County Assessor on or about July 1, 2020.

CONSEQUENCE OF NEGATIVE ACTION:

If the Fiscal Year 2020-2021 Tentative Annual Report for CSA M-31 is not confirmed, either as filed or as modified, the assessment charges set forth in the Tentative Annual Report may not be levied for Fiscal Year 2020-2021. Therefore, the District would be unable to provide transportation demand management services, or an alternate source of funding would have to be identified.
