BACKGROUND: (CONT'D)

in November 1988. Enhanced EMS services include additional staffed paramedic units to respond to 9-1-1 calls: support for firefighter EMS first responder programs, EMS communications and miscellaneous EMS enhancements.

The basic assessment rates proposed are \$3.94 per single-family residence or benefit unit for Zone A (San Ramon Valley) and \$10.00 per single-family residence or benefit unit for Zone B (balance of county). The lower rate for Zone A reflects the fact that certain EMS enhancements are funded by other revenue sources in the San Ramon Valley area. The proposed FY 2020/21 rates are unchanged from the previous year.

After confirmation of the Tentative Report, a Final Report will be prepared in conformance with the official assessment roll for Fiscal Year 2020/21. The Final Report will then be presented to the Board of Supervisors for confirmation. That confirmation will constitute the levy of the assessment.

CONSEQUENCE OF NEGATIVE ACTION:

Failure to set the CSA EM-1 assessment rates prior to August 10, 2020, may result in the EM-1 assessments not being included in the property tax bills countywide.
