BACKGROUND:

This Grant will allow Contra Costa Health Services, and the Contra Costa Department of Conservation and Development, with its partner, Marin Clean Energy (MCE), and the Association for Energy Affordability (AEA) to implement the Green and Healthy Homes Program and monitor retrofit improvements in the homes of high-risk asthma members of CCHP members across Contra Costa County, to improve indoor air quality and remove underlying asthma triggers. This Grant Agreement will also allow the partners to work with the Contract to align project interests and outcomes to AB 617 project activities.

Approval of Grant Agreement #28-929, will allow the County to receive \$100,000 for the implementation of the Green and Healthy Homes Program through December 31, 2021. The County is agreeing to indemnify and hold harmless the Contractor for claims arising out of Contractor's performance under this Contract.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, County will be unable to implement the Green and Healthy Homes Program and the health and economic benefits of the proposed work will not occur.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include reducing the frequency of emergency room visits and hospitalizations, and missed days of school due to asthma exacerbation.
