BACKGROUND: (CONT'D)

foster care. Seneca will maintain a primary East Bay Visitation Center in Antioch with four satellite visitation centers in Concord, San Leandro, El Sobrante, and Fairfield to promote maximum geographic accessibility for children and families referred by Contra Costa County.

Seneca's provision of visitation centers in the East Bay is rooted in over eight years of experience providing visitation services to San Francisco County youth and families, and their commitment to partner with child welfare departments to eliminate all barriers to family reunification and each child's right to grow up in a stable, loving, and supporting home.

The EBVP is a collaborative model between Seneca, the City and County of San Francisco, and Contra Costa County. As much as possible, services will align between the two counties. While separate agreements exist between Seneca and each county, program and policy decisions will be developed jointly.

CONSEQUENCE OF NEGATIVE ACTION:

Without EBVP services and geographically accessible sites, foster youth would be at risk for experiencing disruptions to receiving high-quality, regular visitation with family.

CHILDREN'S IMPACT STATEMENT:

This contract supports all five of the community outcomes established in the Children's Report Card: 1) "Children Ready for and Succeeding in School"; 2) "Children and Youth Healthy and Preparing for Productive Adulthood"; 3) "Families that are Economically Self Sufficient"; 4) "Families that are Safe, Stable and Nurturing"; and 5) "Communities that are Safe and Provide a High Quality of Life for Children and Families" by promoting sustainable and successful family reunification to build and support strong family relationships.
