From: INTERNAL OPERATIONS COMMITTEE
Date: November 17, 2020

Subject: RECOMMENDATION FOR APPOINTMENT TO THE MOSQUITO & VECTOR CONTROL DISTRICT
BOARD OF TRUSTEES

RECOMMENDATION(S):

REAPPOINT Chris Cowen to the At Large 2 seat and Darryl Young to the At Large 3 seat on the Mosquito & Vector Control District Board of Trustees to new four-year terms ending on January 6, 2025.

FISCAL IMPACT:

None to the County. The District provides an expense stipend of \$100 per month conditioned upon meeting attendance.

BACKGROUND:

The Contra Costa Mosquito & Vector Control District was established in 1986. The boundaries of the current District are all of Contra Costa County. The District provides Countywide public health services through the control of mosquitoes, rats, skunks, yellow jackets and other vectors. This is important to prevent the transmission of disease and to minimize vector population outbreaks, which would interfere with recreational, residential, agricultural, and industrial activities. The District Board of Trustees meets on the second Monday of every other month at 7 p.m. in Concord. The District provides an expense stipend of \$100 per month conditioned upon meeting attendance.
