the people living and working near the airport and the County in general.

The AAC may initiate discussions, observations, or investigations and may hear comments on airport and aviation matters from the public or other agencies in order to formulate recommendations to the Board. In conjunction with all of the above, the Aviation Advisory Committee provides a forum for the Director of Airports regarding policy matters at and around the airport.

The Internal Operations (IO) subcommittee generally interviews and makes an appointment recommendation to the Board for the AAC At-Large positions. At the IO's July 10, 2017 meeting they recommended that the AAC At-Large position interview and selection process be referred to the Airport Committee as they have direct oversight and involvement in Airport related matters. On August 1, 2017, the Board approved referring the AAC At-Large position recruitment and selection process to the Airport Committee. On November 4, 2020, the Airport Committee made a recommendation to reappoint Steven Starratt to the Byron Neighbor Seat on the AAC.

The AAC comprises 13 members who must work and/or reside in Contra Costa County: one appointed by each Supervisor; one from and nominated to the Board by the City of Concord; one from and nominated to the Board by the City of Pleasant Hill; one from and nominated to the Board by the Contra Costa County Airports Business Association; three At-Large to represent the general community; one member to represent the community of Pacheco; and one member to represent the surrounding communities of Byron Airport (Brentwood, Byron, Knightsen, or Discovery Bay) to be nominated by the Airports Committee.

CONSEQUENCE OF NEGATIVE ACTION:

The Byron Neighbor Seat on the Aviation Advisory Committee will be vacant.
