from Juvenile Hall and the Orin Allen Youth Rehabilitation Facility for the period from July 1, 2019 through June 30, 2020 which included a six-month extension through December 31, 2020.

BACKGROUND: (CONT'D)

Approval of Novation Contract #74-526-9 replaces the automatic extension under the prior Contract and allows the Contractor to continue providing mental health services through June 30, 2021.

Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, SED children and adolescents involved in the juvenile justice system will not have access to the contractor's mental health services which may result in a reduction of services and placement in higher levels of care.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' children's community outcomes: (1) Children Ready for and Succeeding in School; (4) Families that are Safe, Stable and Nurturing; and (5) Communities that are Safe and Provide a High Quality of Life for Children and Families.
