FISCAL IMPACT:

None at this time. However, the result of the recommendations herein, if implemented, are designed to maintain the County's fiscal stability in FY 2021/2022 and improve it in subsequent years.

BACKGROUND:

The Board of Supervisors, Department Heads, and our Employees worked and sacrificed to stabilize the County's finances during the last decade. Now our task will be to preserve this legacy so as to prevent a return to those years in which we were making painful cuts to programs and to the staff that was necessary to provide those services.

There are always factors over which the County has little or no control (such as a Pandemic, federal and State budgets actions, economic changes, and demographics) that will affect the size of the baseline budget and ultimately challenge the County's budget. Over the next five years we can expect more fiscal volatility due to the Federal Tax plan, State legislative action, as well as negotiated wage and benefit increases.

The majority of the County's general purpose revenues are generated through property taxes. Revenue and Taxation Code section 51 provides that base year values determined under section 110.1 shall be compounded annually by an inflation factor not to exceed 2 percent. Section 51(a)(1)(C) provides that, for any assessment year commencing on or after January 1, 1998, the inflation factor shall be the percentage change, rounded to the nearest one-thousandth of 1 percent, from October of the prior fiscal year to October of the current fiscal year in the California Consumer Price Index (CCPI) for all items, as determined by the California Department of Industrial Relations. Information from the Department of Industrial Relations shows that the CCPI increased from 283.901 in October 2019 to 286.843 in October 2020. Rounded to the nearest one-thousandth of 1 percent, this is an increase of 1.036 percent. Accordingly, we will prepare our 2021 assessment roll using an

inflation factor of 1.04.

The Board of Supervisors has authorized the establishment of an Office of Racial Equity and Social Justice (D. 4, 11/10/20). Although the Office has not yet been established, departments are encouraged to include the voices of diverse communities in budget development discussions with the goal of advancing racial equity and/or social justice through County programs.

As per the norm, Department Heads will be expected to work closely with the County Administrator to design a balanced budget that restricts the growth in net County cost while minimizing service delivery cuts. Wherever possible, categorical/program revenues will be increased to offset the increased cost of doing business. Restrictions on increases in net County cost needed to balance the budget may result in the loss of federal and State program revenues, and this added loss may cause program reductions.

Meet and Confer

Departmental budget requests are due to the County Administrator's Office on February 5. At that time Department Heads will know which, if any, positions may be affected by reductions necessary to balance the budget. Departments, in cooperation with Labor Relations, will if necessary, begin the meet and confer process with employee representatives regarding the impact of potential program reductions on the terms and conditions of employment for affected employees. Early planning will allow Departments a reasonable period of time to meet and confer, and permit them to implement all budgetary required actions prior to July 1, 2021. Per the norm, this progress will allow the County to adopt a budget that is balanced from the first day of the new fiscal year.

Public Notice

The County Budget Act requires that the Board of Supervisors publish a notice in a newspaper of general circulation throughout the county, stating when budget documents will be available and the date of Budget Hearings. The FY 2021/22 Recommended Budget document will be available to the public approximately April 1, 2021.

Conclusion

The County Administrator will return to the Board on April 20 with a FY 2021/22 Recommended Budget that meets the requirements listed above. Tuesday, April 20 will be reserved for FY 2021/22 budget hearings including Bielensohn hearings if needed. Additionally, it is recommended that the County Administrator return to the Board of Supervisors on Tuesday, May 11 for adoption of the FY 2021/22 Recommended County and Special District Budgets, including any changes the Board makes on April 20.

CONSEQUENCE OF NEGATIVE ACTION:

Delayed processing of the FY 2021/22 Recommended Budget and potential impact on the fiscal stability of the County and Special Districts.
