BACKGROUND:

The Iron Horse Corridor Management Program Advisory Committee was authorized by the Board of Supervisors on July 22, 1997. It was established to assist Contra Costa County in developing a management program for the Iron Horse Corridor. In October of 2000 the Board expanded the Advisory Committee's role to continue implementation and monitoring of the Landscape Element of the Management Program and to assist in the completion of the Joint Use Criteria and Standards, Public Information, and Finance elements of the Management Program.

These extensions will correct the term length so it is in compliance with the Iron Horse Corridor Management Program Advisory Committee Bylaws.

Advisory Committee seats include one representative from each jurisdiction or unincorporated community along the corridor, a District II seat, a District IV seat, a seat for the East Bay Regional Park District, and a newly created seat for the Contra Costa Transportation Authority.

CONSEQUENCE OF NEGATIVE ACTION:

The seat will become vacant.
