

**Contra
Costa
County**

To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: February 2, 2021

Subject: Contract #76-579-6 with Jamal J. Zaka, M.D.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Contract #76-579-6 with Jamal J. Zaka, M.D., an individual, in an amount not to exceed \$900,000, to provide pulmonology services including clinic coverage, consultation, sleep studies and training at Contra Costa Regional Medical Center (CCRMC) and Health Centers, for the period from April 1, 2021 through March 31, 2024.

FISCAL IMPACT:

This contract will result in contractual service expenditures of up to \$900,000 over a 3 year period and will be funded 100% by Hospital Enterprise Fund I revenues.

BACKGROUND:

Due to the limited number of specialty providers available within the community, CCRMC and Contra Costa Health Centers relies on contracts to provide necessary specialty health services to its patients. CCRMC has contracted with Dr. Zaka for pulmonology specialty services since 2017.

On March 10, 2020, the Board of Supervisors approved Contract #76-579-4 with Jamal J.

By: Laura Cassell, Deputy

Zaka, M.D., for the provision of pulmonology services including clinic coverage, consultation, training and on-call services at CCRMC and Health Centers, through March 31, 2021.

BACKGROUND: (CONT'D)

On January 19, 2021, the Board of Supervisors approved Contract Amendment Agreement #76-579-5, with Jamal J. Zaka, M.D., to increase the payment limit by \$65,000 to a new payment limit of \$300,000 due to an increase in pulmonology services rendered to COVID-19 patients, with no change to the original term of the contract.

Approval of Contract #76-579-6 will allow the contractor to continue providing pulmonology services through March 31, 2024.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, County's patients requiring pulmonology services at CCRMC will not have access to the contractor's services, which may result in a reduction in levels of service to the community.
