

Contra
Costa
County

To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: April 20, 2021

Subject: Purchase Order with Becton Dickinson and Company

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Purchasing Agent to execute, on behalf of the Health Services Director, a Purchase Order with Becton Dickinson and Company, in an amount not to exceed \$300,000 for reagents and supplies used by the microbiology unit at the clinical laboratory at the Contra Costa Regional Medical Center (CCRMC) and Contra Costa Health Centers, for the period from December 21, 2020 through December 20, 2027.

FISCAL IMPACT:

This purchase order will result in expenditures of up to \$300,000 and will be funded 100% by Hospital Enterprise Fund I revenues.

BACKGROUND:

The CCRMC Clinical Laboratory uses blood culturing as a tool in diagnosing sepsis, which is the number one cause of death in patients with COVID-19. Rapid diagnosis of a bloodstream infection is the key in selecting the correct targeted antibiotic therapy to help the patient fight the infection. The rental of the BD BACTEC along with reagents and supplies that are needed to perform tests will help improve the recovery of positive blood cultures as well as improve the time to detection of those organisms.

ATTESTED: April 20, 2021

Monica Nino, County Administrator and Clerk of the Board of Supervisors

By: Laura Cassell, Deputy

Contact: Jaspreet Benepal,
925-370-5101

CONSEQUENCE OF NEGATIVE ACTION:

If this purchase order is not approved, the CCRMC clinical laboratory will not be able to perform the specific patient testing that allows providers to correctly target the correct therapy to fight infections.
