

**Contra  
Costa  
County**

To: Board of Supervisors

From: Kathy Gallagher, Employment & Human Services Director

Date: May 11, 2021

Subject: Stipends to Contra Costa County childcare providers per CA Assembly Bill 82

---

**RECOMMENDATION(S):**

APPROVE and AUTHORIZE the Auditor-Controller, or designee, to pay stipends to seven contracted childcare providers in an amount not to exceed \$187,950 (\$525 per child enrolled in November 2020) pursuant to California Assembly Bill 82. (100% State)

**FISCAL IMPACT:**

The \$187,950 of stipends are funded 100% by State [California Department of Education]. No county match required.

**BACKGROUND:**

The County routinely receives funds from the California Department of Education (CDE), via the Employment and Human Services Department (EHSD), to provide childcare and development services for infant/toddler and preschool age children. In turn, EHSD contracts with seven child care providers to provide direct childcare and development services for infant/toddler and preschool children.

## BACKGROUND: (CONT'D)

On February 23, 2021, under the Coronavirus Response and Relief Supplemental Appropriations Act of 2021, Governor Newsom signed Assembly Bill (AB) 82, to provide a flat-rate one-time stipend amount of \$525 per child enrolled in November 2020 for subsidized childcare or a State Preschool program through CDE. Funds may be used for any allowable expense that would be reimbursable under any existing child development contract to address COVID-19 related costs or to ensure the programs are able to remain open or reopen. In addition, funds may also be expended for minor remodeling, and for upgrading child care facilities to assure that State and local child care standards are met, including applicable health and safety requirements. The fund expenditure is subject to audit, and will be appropriately tracked by Employment and Human Services Department. Stipend funds must be expended by June 30, 2022. Stipend allocation was distributed from the State to EHSD as a direct payment outside of EHSD's child development contract, and will not be subject to the reporting requirements associated with a child development contract.

EHSD must make every effort to distribute stipend funds to the partner agencies within thirty (30) calendar days of April 15, 2021. Thus, the Department requests the board to authorize the Auditor-Controller to issue one-time payments to each of the following service providers in the amounts indicated:

- Kindercare Mahogany - \$7,875
- First Baptist Church of Pittsburg, CA - \$128,625
- Tiny Toes - \$5,775
- Richmond College Prep - \$9,450
- San Ramon Valley Unified School District - \$12,600
- We Care Services for Children - \$13,125
- Little Angels Country School LLC - \$10,500

## CONSEQUENCE OF NEGATIVE ACTION:

If not approved, providers will not be paid for pandemic expenses incurred to ensure the health and safety of children in their care and ensure the ability to remain open for services rendered to the Employment and Human Services Department.

## CHILDREN'S IMPACT STATEMENT:

The Community Services Bureau of the Employment and Human Services Department's Head Start program supports three of Contra Costa County's community outcomes Outcome 1: "Children Ready for and Succeeding in School," Outcome 3: "Families that are Economically Self-sufficient," and, Outcome 4: "Families that are Safe, Stable, and Nurturing." These outcomes are achieved by offering comprehensive services, including high quality early childhood education, nutrition, and health services to low-income children throughout Contra Costa County.
