Subject: APPROVE a Purchase Order with MaxSecure Systems, Inc.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Purchasing Agent, or designee, to execute, on behalf of the Sheriff-Coroner, a purchase order with MaxSecure Systems, Inc., in the amount of \$400,000 to purchase anti-ligature bunk beds for the County detention facilities, Countywide.

FISCAL IMPACT:

The purchase will be funded with Facility Lifecycle Improvement Funds.

BACKGROUND:

The Sheriff's Office has specified these bunks (bunk beds) for installation throughout County detention facilities for standardization and consistency of maintenance. They were selected by the Sheriff's Office because they are detention grade, anti-ligature, durable and easily cleaned. They come with a ten (10) year warranty. They are also flame retardant, surface mounted and tamper proof. These bunk beds are manufactured out of polymer composite material that meets industry standards, can withstand the rigors of a detention facility and are constructed in a fashion that does not allow for ligatures to be attached. This is a key function for suicide prevention.
