2014 Strategic Plan Update, including implementation of a coordinated assessment system to stream line access to housing and services while addressing barriers and getting the right resources to the right people at the right time and serving all homeless clients throughout the County while providing supportive services including case managers,

BACKGROUND: (CONT'D)

housing navigators, prevention and diversion counseling and outreach team staff who locate and engage clients in the CES, supported by housing navigators in our crisis response system.

On September 8, 2020, the Board of Supervisors approved Contract #29-810-3 with HUD, for McKinney-Vento Act funds, to pay County an amount not to exceed \$666,691 for the provision of the County's CoC for the period from July 1, 2020 through June 30, 2021.

Approval of Grant Agreement #29-810-4 will allow the County to continue to receive funding through September 30, 2022.

CONSEQUENCE OF NEGATIVE ACTION:

If this agreement is not accepted, the County will not receive funding to expand the CoC project which will result in fewer supportive services for homeless individuals and families putting their well-being and safety at risk.
