treatment for pregnant and parenting women and their young children in the amount of \$3,485,421, for the period from July 1, 2020 through June 30, 2021. On December 15, 2020, the Board of Supervisors approved Amendment Agreement #24-429-71, to modify rates to continue to provide residential and outpatient treatment for pregnant and parenting women and their young children, with no change in the original payment limit of \$3,485,421, and no change in the original term of July 1, 2020 through June 30, 2021. Approval of Contract #24-429-72 will allow this contractor to continue to provide services through June 30, 2022.

### CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, pregnant and parenting women will not receive the alcohol and drug treatment services they need which may result in perinatal substance abuse and additional risk to their babies.

### CHILDREN'S IMPACT STATEMENT:

This Alcohol and Drug Abuse program supports the Board of Supervisors' "Families that are Safe, Stable, and Nurturing" community outcome by providing parenting education, stability, and safety for mothers (and their children) and pregnant women who are alcohol and drug dependent, while they are in substance abuse treatment. Expected outcomes include delivery of drug-free babies, decreased use of alcohol, tobacco and other drugs, reduction in the number of relapses, and creation of a sober social network.
