BACKGROUND: (CONT'D)

On March 23, 2021, the Board of Supervisors approved Contract #23-710 for this contractor to provide clinical laboratory services for CCHS, for the period March 15, 2021 through June 14, 2021. This contract includes mutual indemnification to hold harmless both parties for any claims arising out of the performance of this contract.

Approval of Contract Extension Agreement #23-710-1 will allow this contractor to continue providing services through June 30, 2022.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract extension is not approved, the department will not have access to this contractor's laboratory specimen processing related to COVID-19, and significantly delay the department's ability to receive timely test results.
