BACKGROUND: (CONT'D)

patient care is provided during peak loads, temporary absences, vacations and emergency situations where additional staffing is required. The County has been using the contractor's temporary staffing services since July 1, 2017.

On June 22, 2021, the Board of Supervisors approved Contract #76-593-4 with Per Diem Staffing Systems, Inc., in an amount not to exceed \$1,500,000, for the provision of temporary medical, pharmacy and other ancillary staffing services during peak loads, temporary absences, vacations and emergency situations at CCRMC, for the period from July 1, 2021 through June 30, 2022.

Approval of Contract Amendment Agreement #76-593-5 will allow the County to adhere to results of the meet and confer between Personnel and Union representatives that occurred after the Division input the contract request at the original contract payment limit. The agreement between the parties resulted in a reduction in the overall payment limit and a modification of the rate schedule to include mutually agreed upon classifications through June 30, 2022.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, Personnel action will not be rectified to reduce the contract payment limit and modify the rate schedule as mutually agreed upon.
