From: Anna Roth, Health Services Director
Date: September 7, 2021

Subject: Memorandum of Agreement #28-975 with City of Brentwood

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee to execute Memorandum of Agreement (MOA) #28-975 containing mutual indemnification language with the City of Brentwood, to allow the Health Services Department and the California Department of Public Health contractors use of the City's Brentwood Technology and Education for COVID-19 testing and immunizations, for the period July 19, 2021 through December 31, 2021.

FISCAL IMPACT:

This is a nonfinancial agreement, there is no cost to the County associated with the signing of this MOA.

BACKGROUND:

The City of Brentwood relocated the State testing site previously located at the Brentwood Senior Center to the Brentwood Technology and Education Center on July 29, 2021. This larger space allows for a co-location of COVID-19 vaccination and testing services and extends services to those residents in East County, permitting an average of 364 tests and 137 vaccinations per week.
