On July 1, 2021, the County and the City of Antioch reached an agreement to extend the term of the MOA

BACKGROUND: (CONT'D)

through August 31, 2021. The need to extend the term of the MOA through December 31, 2021 and change the portion of the parking lot to be made available for the provision of COVID-19 services, and modify the hours of operation have been identified as necessary action.

The County's Health Officer has determined that accessible, timely testing and immunizations are critical to reduce transmission of the COVID-19 virus and to protect the community.

CONSEQUENCE OF NEGATIVE ACTION:

If this MOA is not approved fewer COVID-19 tests and vaccinations will be administered which could increase the number of deaths in Contra Costa County.
