BACKGROUND: (CONT'D)

On September 15, 2020, the Board of Supervisors approved Interagency Agreement #28-331-5 (as corrected by September 22, 2020 Board Order Item #C.18), with Antioch Unified School District to pay the County in an amount not to exceed \$300,000, for the provision of mental health and crisis intervention services to students referred to the Antioch Unified School District's HOPE program, for the period July 1, 2020 through June 30, 2021.

Approval of Interagency Agreement #28-331-6 will allow the Agency to continue to pay the County to provide mental health services to students referred to the District's HOPE program through June 30, 2022.

CONSEQUENCE OF NEGATIVE ACTION:

If this agreement is not approved, AUSD will not pay the County for providing mental health services to students referred to the District's HOPE program.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).
