To: Board of Supervisors
From: Brian M. Balbas, Public Works Director/Chief Engineer
Date: November 9, 2021

Subject: Approve & Authorize to fully close a portion of several roads, on November 9, 2021 through April 30, 2022, Kensington area.

RECOMMENDATION(S):

ADOPT Resolution No. 2021/308 approving and authorizing the Public Works Director, or designee, to fully close a portion of Sunset Drive between Franciscan Way and Arlington Avenue, Highgate Road between Sunset Drive and Edwing Drive, and Highgate Court, on November 9, 2021 through April 30, 2022 from 7:00 a.m. through 4:30 p.m., for the purpose of the installation of approximately 5,165' of 6" & 8" Earthquake Resistant Ductile Iron (ERDIP) water main, Kensington area. (District I)

FISCAL IMPACT:

No fiscal impact.

BACKGROUND:

East Bay Municipal Utility District (EBMUD) shall follow guidelines set forth by the Public Works Department. Due to the narrow width of the roads in the Kensington area, the safest way to install the new earthquake resistant water main and expedite the installation of the pipeline is to close the roads to through traffic. Public Works is scheduled to apply a surface treatment to the roads in Kensington in 2022 so EBMUD is working to complete their infrastructure renewal projects in the area prior to the County project.
