and school success.

BACKGROUND: (CONT'D)

Community Health for Asian Americans have been providing mental health services to the county since December 1997.

On January 5, 2021, the Board of Supervisors approved Contract #24-927-30 with Community Health for Asian Americans in an amount not to exceed \$907,061 for the provision of school and community based mental health services in West Contra Costa County for the period from January 1, 2021 through June 30, 2021, which included a six-month automatic extension through December 31, 2021, in an amount not to exceed \$907,061.

On July 13, 2021, the Board of Supervisors approved Amendment Agreement #24-927-31 with Community Health for Asian Americans to increase the per minute billing rates with no change to the payment limit of \$907,061 or term January 1, 2021 through June 30, 2021 and no change to the automatic extension through December 31, 2021, in an amount not to exceed \$907,061.

Approval of Novation Contract #24-927-32 replaces the automatic extension under the prior contract and allows the contractor to continue providing services through June 30, 2022.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, Asian American and other ethnic groups receiving services at four programs in West County would have reduced access to mental health services in school, drug court and clinic settings.

CHILDREN'S IMPACT STATEMENT:

This Early and Periodic Screening Diagnostic and Treatment Program supports the following Board of Supervisors' community outcomes: "Children Ready for and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS) and a decrease in juvenile offender recidivism as measured by probation database information.
