Date: March 1, 2022

Subject: FY 2021-22 Revenue and Appropriation Adjustments for the Veterans Service Office

RECOMMENDATION(S):

ADOPT Appropriation and Revenue Adjustment No. 005032 authoring new revenue in the amount of \$311,000 and increases to staffing and operational expenditures in the Veterans Service Office.

FISCAL IMPACT:

Approval of this action will result in allocations of \$188,000 in state subvention and \$123,000 in Prop 63 grant funding, and a net increase in salary and benefit and service and supplies expenditures allocations in FY 2021-22. The state subvention revenue increase is ongoing and will be included in the FY 2022-23 and future budgets. The Prop 63 grant funding is awarded on a two-year cycle and the Veterans Service Office will continue to apply for this funding source.

BACKGROUND:

On June 28, 2021, AB 128 was signed into law by Governor Gavin Newsom. This budget bill increased the state's Local Assistance funding to counties for the support of County Veterans Service Officers. This increase will provide an ongoing, yearly appropriation as the state's cost-share contribution to support county efforts to assist veterans and their families
