

**Contra  
Costa  
County**

To: Board of Supervisors  
From: Brian M. Balbas, Public Works Director/Chief Engineer  
Date: March 1, 2022

Subject: APPROVE the 2022 Countywide Surface Treatment Project and take related actions under CEQA

---

**RECOMMENDATION(S):**

APPROVE the 2022 Countywide Surface Treatment Project (Project) and AUTHORIZE the Public Works Director, or designee, to advertise the Project, Countywide. [County Project No. 0672-6U2112, DCD-CP#22-07] (Districts I - V).

DETERMINE the Project is a California Environmental Quality Act (CEQA), Class 1 Categorical Exemption, pursuant to Article 19, Section 15301(c) of the CEQA Guidelines, and

DIRECT the Director of Department of Conservation and Development, or designee, to file a Notice of Exemption with the County Clerk, and

AUTHORIZE the Public Works Director, or designee, to arrange for payment of a \$25 fee to the Department of Conservation and Development for processing, and a \$50 fee to the County Clerk for filing the Notice of Exemption.

By: Stacey M. Boyd, Deputy

### FISCAL IMPACT:

Estimated Project cost: \$4,526,960. 100% Local Road Funds.

### BACKGROUND:

The purpose of the Project is to maintain and rehabilitate various roads in the unincorporated areas of Bay Point, Contra Costa Centre, Moraga, and Pacheco. The Project includes slurry seals, chip seals, microsurface seals, cape seals, thin overlays, thick overlays and reconstruction. The Project is anticipated to start in the summer of 2022 and take approximately 2-4 weeks at each location depending on the type of treatment. Mill and overlay and chip seal segments will require one-lane traffic closures; slurry seal segments will require half-day street closures; and reconstruction segments may require full day closures. Weekend and/or evening work may be necessary at certain locations. Residents will be notified in advance of construction. No right-of-way issues are anticipated for this Project, as all work will occur within the County road right-of-way.

### CONSEQUENCE OF NEGATIVE ACTION:

Designated County roads would not receive a surface seal, overlay, or reconstruction in 2022.
