limit of \$300,000 and extend the term through October 9, 2023.

On September 21, 2021, Zeiger Engineers, Inc., was sold to Natron Resources, Inc.

Zeiger Engineers, Inc., is familiar with County-wide projects for design and construction of healthcare and other facilities. The Assignment and Assumption of Contract and Consent between Zeiger Engineers, Inc., Natron Resources, Inc., and the County provides for the assignment of the County agreement from Zeiger Engineers, Inc., to Natron Resources, Inc., and the County's consent thereto, which is necessary for the continuation of services.

Therefore, it is recommended that the Assignment and Assumption of Contract and Consent be executed at this time.

CONSEQUENCE OF NEGATIVE ACTION:

Without Board approval, the consultant will not be able to provide as-needed electrical engineering services to continue necessary capital projects.
