Subject: Prohibit stopping, standing, or parking at all times on a portion of Chesley Avenue (Road No. 0564A), North Richmond area.

**RECOMMENDATION(S):**

ADOPT Traffic Resolution No. 2022/4519 to prohibit stopping, standing, or parking at all times on the north side of Chesley Avenue (Road No. 0564A), beginning at the east curb line prolongation of Truman Street (Road No. 0565X) and extending easterly a distance of 35 feet, as recommended by the Public Works Director, North Richmond area. (District I)

**FISCAL IMPACT:**

No fiscal impact.

**BACKGROUND:**

An officer of Davis Chapel contacted Public Works stating difficulty entering safely onto Chesley Avenue from Truman Street, due to parked cars limiting visibility. Traffic Engineering staff responded by researching collision history and conducting a site visit soon after. Collision history revealed that on occasion, obstructions in the form of parked cars limited visibility, according to reports. This, along with field observations and measurement of sight lines, leads staff to recommend limited restriction of parking. Therefore, parking should be prohibited on the north side of Chesley Avenue for the first 35 feet, east of the eastern curb line of Truman Street. If adopted and implemented, this action should improve
