for Fiscal Year 2022-2023. (County Service Area T-1 Funds) (District III) Project No.
7480-6X5058.

FISCAL IMPACT:

The levy of the annual service charges in CSA T-1 will provide revenues for public transit services. The CSA T-1 annual total service charge was \$625,649.20 for Fiscal Year 2021-2022 and is projected to be \$658,134.88 in Fiscal Year 2022-2023. The increase is based on the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers). The service charge was \$475.69/developed equivalent dwelling unit in Fiscal Year 2021-2022 and will be \$500.39/developed equivalent dwelling unit in Fiscal Year 2022-2023. The annual service charges for CSA T-1 will be levied on 1,187 parcels in Fiscal Year 2022-2023.

BACKGROUND:

As directed by Article 1012-2.602 of the Contra Costa County Ordinance Code, the Public Works Director prepared a Fiscal Year 2022-2023 Tentative Annual Report on service charges in CSA T-1 and filed it with the Clerk of the Board of Supervisors. CSA T-1 provides public transit services (Danville area). The Tentative Annual Report contains a description of each parcel of real property receiving services, the basic service charge for CSA T-1 and the estimated amount of the service charge for each parcel for the fiscal year.

Upon the filing of the Tentative Annual Report, the Clerk of the Board of Supervisors fixed a time, date, and place for a Board hearing on the Tentative Annual Report and for filing objections or protests thereto and published a notice of the hearing as provided in Government Code section 6066.

Following the public hearing, the Board may adopt, revise, change, reduce, increase, or modify any estimated service charge, and shall make its determination upon each estimated service charge as described in the Tentative Annual Report. The service charges in the Tentative Annual Report were computed and apportioned according to a formula that fairly distributes the service charge among all subject parcels in proportion to the estimated benefits they will receive from the services provided. Staff recommends approval of the rates and service charges in the Tentative Annual Report without modification.

The service charges in the Tentative Annual Report are higher than the charges levied in Fiscal Year 2021-2022 because they incorporate an automatic adjustment approved by the parcel owners in CSA T-1 in 2006. The adjustment provision allows for an increase each year equal to the greater of the Consumer Price Index (CPI) for the San Francisco Bay Area (All Urban Consumers) or 2%. For Fiscal Year 2022-2023 the increase is 5.19% over the Fiscal Year 2021-2022 service charge rates. The Board approved this provision on January 17, 2006.

Adoption of Resolution 2022/125 confirms the Tentative Annual Report and assesses the charges set forth therein but does not levy the charges. The levy of the service charges occurs after the preparation of a Final Annual Report that conforms to the official service

charge roll for Fiscal Year 2022-2023. The official service charge roll will be issued by the County Assessor on or about July 1, 2022.

CONSEQUENCE OF NEGATIVE ACTION:

If the Fiscal Year 2022-2023 Tentative Annual Report for CSA T-1 is not confirmed, either as filed or as modified, the service charges set forth in the Tentative Annual Report may not be levied for Fiscal Year 2022-2023. Therefore, the District would be unable to provide public transit services, or an alternate source of funding would have to be identified.
