Network providing medical specialty services since January 2021.

On January 18, 2022, the Board of Supervisors approved Contract #77-430 with

BACKGROUND: (CONT'D)

Jiva Health, Inc., in an amount not to exceed \$2,000,000 for the provision of medical specialty services including endocrinology, diabetes, and allergy specialty services for CCHP members, for the period January 1, 2022 through December 31, 2022.

Approval of Contract Amendment Agreement #77-430-1 will allow the contractor to continue providing medical specialty services including sleep medicine services in addition to endocrine, diabetes, and allergy specialty services through December 31, 2022. The Division and contractor requested additional services to be included in the initial contract. Due to prolonged negotiations with the contractor, the amendment was delayed.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, additional sleep medicine services for CCHP members under the terms of their Individual and Group Health Plan membership contracts with the County will not be provided by this contractor.
