

Contra
Costa
County

To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: April 26, 2022

Subject: Purchase Order with Arthrex Inc.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Purchasing Agent, on behalf of the Health Services Director, to execute a Purchase Order with Arthrex, Inc in an amount not to exceed \$900,000 to procure instruments, implants, and supplies for the orthopedic department for the period from April 1, 2022, through January 31, 2024.

FISCAL IMPACT:

This purchase order will result in expenditures of up to \$900,000 and will be funded 100% by Hospital Enterprise Fund I revenues.

BACKGROUND:

Arthrex, Inc. is a global medical device company and leader in new product development and medical education in orthopedics. Arthrex provides instruments, implants, supplies and biologics that are necessary for arthroscopic surgeries for better outcomes for our patients. There are currently no other products on the market that can achieve the same surgical outcomes in the same amount of time and the same patient and surgeon satisfaction. By having a lower footprint, and an ease of use, surgery times are shortened, patients' recovery times are shortened, and the risk of infections are decreased.

CONSEQUENCE OF NEGATIVE ACTION:

If this purchase order request is not approved, Contra Costa Regional Medical Center (CCRMC) will not be able to provide the surgical needs of the general population of Contra Costa County. This can lead to delays or cancellation of surgeries, and lead to detrimental outcomes for our patients.
