To: Contra Costa County Flood Control District Board of Supervisors
From: Brian M. Balbas, Public Works Director/Chief Engineer
Date: April 26, 2022

Subject: On-Call Contract Amendment with Advanced Hydro Engineering, Inc., Countywide.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Chief Engineer, Contra Costa County Flood Control and Water Conservation District (FC District), or designee, to execute a Consulting Services Agreement (Contract) Amendment with Advanced Hydro Engineering, Inc., to amend the insurance requirements and to extend the term from June 3, 2022 through June 3, 2023, for on-call professional engineering services relating to hydrology/hydraulic studies and modeling, with no change to the payment limit of \$100,000, Countywide.

FISCAL IMPACT:

There is no fiscal impact with this action, as it is only to extend the term of the Contract. This project, including the Contract, will be funded by 100% FC District Funds (Project No.: Various).

BACKGROUND:

The FC District provides regional flood protection, technical information, hydrology data and education to cities and residents, and environmental stewardship for over 70 miles of streams and several detention basins as part of the County's flood protection system. The FC District is extending the term of its on-call support for hydrology/hydraulic studies and

modeling for an additional year through June 3, 2023.

BACKGROUND: (CONT'D)

This amendment contains insurance language that changes the insurance provisions in the General Conditions, which has been reviewed and approved by the County's Risk Management Division.

CONSEQUENCE OF NEGATIVE ACTION:

Without the approval of the Board of Supervisors, the FC District will not be able to obtain on-call professional engineering services relating to hydrology/hydraulic studies and modeling.
