BACKGROUND: (CONT'D)

require the use of Microsoft G5 licensing to perform and deliver services to the County, were able to align this contract with the County's goal of getting all departments under one licensing umbrella and leveraging the County's resources and purchasing strength. Each participating department is charged for its percentage of the licenses and fees, as applicable.

DoIT negotiated significant discounts from Microsoft's authorized reseller, Insight Public Sector, Inc., for the licensing of Microsoft products, such as Office 365. The purchased services included Monthly Subscriptions-Volume Licenses, Software Assurance and Microsoft's cloud-based hosted services for e-mail and other cloud-based applications such as SharePoint and Azure. Additionally, DoIT worked with Microsoft to participate in the Executive Order President Biden signed on May 12, 2021 to address the growing challenges combating Cybercity threats. Through participation in this program the County will receive one year of the escalated G5 Security suite at no additional cost to the County.

CONSEQUENCE OF NEGATIVE ACTION:

If this agreement is not approved, the County will be out of compliance with Microsoft's licensing agreement.
