Date: April 26, 2022

Subject: Agreement #28-987 with the Bay Area Air Quality Management District

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Grant Agreement #28-987 with the Bay Area Air Quality Management District, including indemnification, to pay the County in an amount not to exceed \$238,697 to allow the County to expand the Asthma Mitigation Project in Contra Costa County, for the period from April 1, 2022 though April 30, 2024.

FISCAL IMPACT:

Approval of this grant agreement will result in grant funding of up to \$238,697 for expansion of the Asthma Mitigation Project. (No County match is required)

BACKGROUND:

The goal of the Bay Area Healthy Homes Initiative seeks to build on and expand the Asthma Mitigation Project in Contra Costa, which is run by Contra Costa Public Health in partnership with the Association for Energy Affordability. The Initiative seeks to improve health outcomes for Contra Costa County residents living in communities disproportionality impacted by air pollution by integrating multiple interventions that address cumulative air pollution burden. Project partners will collaborate in the implementation of core area of the

program including home asthma education and trigger assessments, energy efficiency assessments, provision of consumer supplies, equipment, and services, home retrofits, and indoor air monitor. Anticipated outcomes include improved indoor air quality, decreased energy usage, reduced greenhouse gas emission, and improved health outcomes in participant's households.

Approval of Grant Agreement #28-987, will allow the County to receive up to \$238,697, to manage the Project in Contra Costa County, through April 30, 2024. The County is agreeing to indemnify and hold harmless the contractor for claims arising out of the County's performance under this contract.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, the County will be unable to implement the Green and Healthy Homes Program and the health and economic benefits of the proposed work will not occur.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcomes: 1, 4 & 5. Expected program outcomes include reducing the frequency of emergency room visits and

hospitalizations, and missed days of school due to asthma exacerbation.
