transportation services to medical appointments when applicable. The contractor has been providing non-emergency medical transportation services since July 1, 2002.

BACKGROUND: (CONT'D)

On July 13, 2021, the Board of Supervisors approved Contract #26-378-13, with Concord Yellow Cab, Inc., in the amount of \$240,000, to provide non-emergency taxicab transportation services, for certain CCRMC patients for the period July 1, 2021 through June 30, 2022.

Utilization of the contractor's services were much higher than anticipated during this contract year, in part due to an increase in taxi rides related to COVID-19 pandemic and psychiatric emergency.

Approval of Contract Amendment Agreement #26-378-14 will increase the payment limit by \$120,000 to a new payment limit of \$360,000, to allow the contractor to continue providing additional non-emergency taxicab transportation services for certain CCRMC patients, through June 30, 2022.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, this contractor will not provide additional non-emergency transport services to CCRMC patients as requested by the Division.
