to support crisis response service for individuals ages 0-25. This funding includes but is not limited to investments in technology, team transportation, and training. The Health Services Department has carried out a series of improvement events to design and test a comprehensive response system.

This request to the Board is retroactive due to the Health Services Department's Behavioral Health Division not receiving this grant agreement until February 28, 2022.

Approval of Grant Agreement #28-993 will allow the County to receive funds for the County's Behavioral Health Division's mobile crisis and non-crisis services in Contra Costa County, through June 30, 2025. The County is agreeing to indemnify and hold harmless the contractor and DHCS for claims arising out of County's performance under this contract. The contractor's liability is limited to the total dollar amount of work performed by the County and is not liable for any special, indirect, incidental consequential, or punitive damages, nor for any loss of goodwill,

profits, data, or loss of use. In the event of any intellectual property license infringement claim, the contractor shall have the right to appear through its own counsel, at the County's expense, to defend any such claim.

CONSEQUENCE OF NEGATIVE ACTION:

If this grant award agreement is not approved, the County will not receive this funding to support behavioral health mobile crisis and non-crisis services especially in individuals ages 0-25.
