and support the County HSD website for a three-year period. The existing County website was coded manually over a period of many years and has become problematic to update and add to. This new website and the functionality provided by the contractor will provide a lower cost of maintenance, easier usability by the County and community members, and give greater control to our community members to get information as requested.

The contract includes a provision limiting Granicus' liability to the County for direct damages to the amount paid by County in the twelve months preceding the claim for damages.

On November 2, 2021, the Board of Supervisors approved C.40 in an amount not to exceed \$890,850, however the term dates were incorrect. This Board Order will rescind that incorrect Board Order and allow the correct terms to be approved. Under Contract #23-721, contractor will develop, support and maintain a new HSD website for the period June 1, 2022 through May 31, 2025.

CONSEQUENCE OF NEGATIVE ACTION:

If the recommendation is not approved, the prior incorrect Board action will stand and the department will not have Board authorization to receive the contractor's services during the

needed term dates.
