school performance, reduce unsafe behavioral practices, and reduce the need for out-of-home placements.

On March 30, 2021, the Board of Supervisors approved Contract #74-624 with The Alliance for Community Wellness (dba La Familia), in an amount not to exceed \$304,210, to provide substance use disorder treatment services for adolescents needing outpatient services, for the period from January 1, 2021 through December 31, 2021. The delay of this contract authorization was due to the resurgence of COVID-19 at that time, which created service interruptions, productivity declines and cash flow issues with the community based behavioral health service providers.

Approval of Contract #74-624-1 will allow the contractor to continue providing substance use disorder treatment services for adolescents, through June 30, 2023.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, Contra Costa County adolescents will not receive substance use disorder treatment services needed to improve school performance, reduce unsafe behavioral practices, and reduce the need for out-of-home placements.
