cultural experiences, and enhanced the community's enjoyment of the library facility.

Families depend on the library to provide literacy learning activities and opportunities for their children. By bringing a permanent StoryWalk to the community of Pittsburg, Goal 1 of the Library's Strategic Plan can be achieved. Goal 1 states: We champion personal and community engagement in literacy and reading to enrich lives. The Pittsburg Library would use the funding for the purchase of the StoryWalk frames, installation of the frames at Small World Park, book purchases for inside the frames, graphic creation and promotional materials.

CONSEQUENCE OF NEGATIVE ACTION:

If this proposal is not approved, the Pittsburg Library will not be able to complete this project until other funding is found.

CHILDREN'S IMPACT STATEMENT:

The Pittsburg Library is committed to providing the community quality children's programming. A permanent StoryWalk connects with the City's "Pittsburg Moves" Initiative, including their goals of increased park use, art appreciation and early literacy. As a permanent outreach project, a StoryWalk will increase the library's presence in the community, building stronger connections with families.
