This project consists of preparing plans, specifications, and estimates, including geotechnical and hydraulic studies, construction support, project management and coordination, and environmental and right of way support

BACKGROUND: (CONT'D)

for the replacement of the Marsh Creek Road Bridges (#28C-0143 & -0145) over Marsh Creek in eastern Contra Costa County.

This Amendment No. 3 will amend the payment limit and update the rates paid under this agreement to ensure continued work on the project.

CONSEQUENCE OF NEGATIVE ACTION:

Without approval from the Board of Supervisors, the consultant may not be compensated for services needed to complete the project and there may be delay on project completion.
