adolescents and adults.

On November 23, 2021, the Board of Supervisors approved Novation Contract #24-794-8(31) with John Muir Behavioral Health Center, in an amount not to exceed \$1,600,000 for the provision of inpatient psychiatric hospital services to County-referred children, adolescents and adults for the period from July 1, 2021 through June 30, 2022, which included a six-month automatic extension through December 31, 2022 in an amount not to exceed \$800,000. This contract included mutual indemnification to hold harmless both parties for any claims arising out of the performance of this contract.

At the time of negotiations, the payment limit was based on target levels of utilization. However, the utilization and service units during the term of the contract were higher than originally anticipated.

BACKGROUND: (CONT'D)

Approval of Contract Amendment Agreement #24-794-8(32) will increase the payment limit and allow the contractor to provide additional inpatient psychiatric services through June 30, 2022.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, the County's mental health clients will not receive inpatient psychiatric services from the contractor's facility.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcome: "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include a decrease in the need for inpatient care and placement at a lower level of care.
